

Questionnaire for admission to the Fair Toys Organization

Ladies and Gentlemen,

We are delighted that you and your company intend to become a member of the Fair Toys Organization in order to join us on the path towards socially and environmentally responsible toy production! To apply for membership, we would like to request a few details about your company and a few questions about your sustainability profile to date. This data is a self-disclosure and only employees of the office have access to it. If necessary, a verbal summary will be passed on to the Executive Board as part of the decision on admission. Further details can be found in the document "Information on the handling and protection of company data in the context of membership of the FTO e.V.".
